The No-Squint Tint

Nothing looks dorkier at the pool than jockeying your +1.50s with a regular pair of sunglasses. Introducing Cinzia Designs' Sunreaders. UV 400 protected in a variety of styles, colors and strengths, so you can finally read and look chic on the beach. (Cinzia Designs, from \$37.50. www.cinziadesigns.com.)

Spring Break for Boomers: Revisiting Florida

Remember when you could walk the beaches of Ft. Lauderdale in a bikini without cottage cheese thighs? Well now there's a whole new way to enjoy a vacay in Southeastern Florida. Frommer's and Fodor's guides will tell you how to do Spring Break All-Grown-Up, complete with swanky hotels, chichi restaurants, trendy shops, and a beach - if you dare! (Fodor's, \$19.95; Frommer's®, \$19.99. www.barnesandnoble.com.)

A Face Lift So Small, You Can Hold it in Your Hand

Who needs cosmetic surgery when you can break open a capsule and give yourself a face lift in five minutes? Tripeptinon™ promises "stunning results" in six weeks. The "Tri" in Tripeptinon™ comes from the three anti-aging, anti-wrinkle, anti-sagging technologies that are an alphabet soup of chemistry. But the results are undeniable. So "Tri" it, you'll like it! (AminoGenesis, \$79. www.aminogenesis.com.)

Nix the Tix: Parking Meters that Call You When Time's Running Out

Never worry about "feeding the meter" again with the PhotoViolationMeter™. It has lots of options: one that calls to tell you when your meter's running low, another that lets you pay with your ATM card and relax...whether you're out to dinner, at a meeting or getting your hair done.

No More Night Sweats!

So you want to look hot in bed without...sweating? Check out Lunar Radiance Sleepwear. Eileen Kisailus of Marlton, NJ founded the company that promises a refreshing night's sleep for women, and a dry side of the bed for their partners. Among the kudos on the Lunar Radiance website: "Ordering was easy, sizes are true...and it was the first decent night sleep I've had." So who needs HRT?! (www.lunarradiance.com)
